Chair's Message

The Port Colborne Public Library Board is pleased to share our new 2023-2027 Strategic Plan. This bold and innovative plan will lead us into the future by building on our past successes, embracing the challenges we face, and taking advantage of all opportunities. This is an exciting time for the Port Colborne Public Library. We have a newly renovated and refreshed facility with inviting and accessible spaces, excellent services, vibrant programming, and a plan in place to implement leading-edge technology. With a focus on delivering an exceptional user experience, our professional library team is well-equipped to achieve its goals. We will ensure that all users can navigate and access library services. We will deepen our connections with community partners and service providers, and work diligently to deliver better, safer, and more patron-centered programming and services. We are honoured to serve our community. We invite you to join us on this exciting journey as we strive to meet the needs of our user communities and fulfill our vision to empower, enrich, and educate by providing the best library services possible.

— Michael Cooper, Board Chair

Our Vision

“Empower. Enrich. Educate.” guides what the Board aspires the Library to be for all of our user communities. Each of these active verbs requires doing — at the staff level — so that they may ring true in the future. Support for this vision must be ingrained in our culture and strived for in everything we do.

“Libraries represent the diversity and immensity of human thought, our collective knowledge laid out in rows of revealing inspiration.”

— Manuel Lima

Our Mission

The Library “is committed to providing the services necessary to meet the needs of our user communities.” The continued use of this mission statement speaks to the way it perfectly captures our raison d’etre or reason for existing. The Library’s ability to be proactive in meeting user needs, despite however much they differ and change, will influence its success over time.

“The public library really is kind of a temple, and it ministers to the needs of the spirit as much as it does to the requirements of our minds.”

— The Right Honourable Adrienne Clarkson,
former Governor General of Canada

Our Values

These eight values share equal importance and, above all else, convey how the Library should be seen in the eyes of the user communities it serves.

We value **professional, courteous service**

We value **community responsiveness**

We value **life-long learning and literacy**

We value **intellectual freedom**

We value **operational efficiency and accountability**

We value **innovation and tradition**

We value **cooperation, respect and integrity**

We value **barrier-free, fair and equitable access**

Comments from our Patrons

“I love the library because the books take you to places unknown. You can be someone else for just a little while. Everyone has something special. The library is my something special.”

“The public library is a place that provides me knowledge, escapism, mysteries and plenty of laughter. The books, movies, TV series, documentaries and music CDs, without my public library I would feel displaced. Thank you.”

“I love my library because everyone here is courteous, pleasant and helpful. It is a joy to come into the library. We here in Port Colborne are very fortunate to have our library. Thank you.”

“I love to read and have been an avid reader since I was a child. Reading has taken me around the world and expanded my imagination. I’m a senior now and still read daily. Love our library! Thank you!”

“Love, love, love my books as you know, as I read about two books a week and have been doing so all my life. But, sometimes in the afternoon, I love to sit back for a bit and transport myself....I so miss seeing all your smiling faces.”

“In this discombobulating time of COVID and crazy politics, the library is a soothing refuge. The first time I entered after shutdown, it was like reuniting with a long absent friend. I love the peace, comfort, stability of it; browsing among the stalls, discovering new authors & titles. A good “real” book and comfortable chair – bliss! The staff are unfailingly kind and helpful. They always ensure pleasant visits. To top it all off – it’s FREE for everyone to enjoy!!!”

“What I want to share is how amazing the library team has been during this pandemic. Every phone call, curbside “visit” and interaction that I’ve had with staff has been easy, pleasant, and helpful. For a family of book lovers, not being able to visit the library in person has been difficult. For all of these months that we have been stuck at home, our library books have truly been our escape. Thank you for all that the Port Colborne Library has done to continue to provide such wonderful service, and that includes the fantastic “window shopping” [browsing shelves]. I noticed and was able to check out a fantastic title from the window on a recent visit! You guys are awesome! Stay healthy, and thank you so much.”
