

PORT COLBORNE

PUBLIC NOTICE

August 1, 2023

Active Transportation Master Plan Public Information Centre

Where:	Vale Health and Wellness Centre Front Lobby, 550 Elizabeth Street Port Colborne.
Who:	The input of residents will be sought to gather their perspectives on the existing systems and infrastructure for walking, biking, and other modes of transportation. As well as suggestions for enhancing them.
When:	The Public Information Centre (PIC) will be held on August 17, 2023, between the hours of 5 p.m. to 7 p.m.
What:	<p>To facilitate resident education and gather valuable input, the City of Port Colborne will host a Public Information Centre. This event will provide an opportunity for residents to gain knowledge about the study and offer their insights. These insights will then be utilized by the study team to formulate a future-oriented plan.</p> <p>The study team will assess and pinpoint deficiencies in the current active transportation network, establish a prioritized list of active transportation facility enhancements, and propose practical solutions to enhance connectivity and encourage the use of these facilities.</p> <p>This report will enable the City of Port Colborne to:</p> <ul style="list-style-type: none">• Identify shortcomings in the current active transportation network.• Formulate a set of priorities and guidelines for implementing upgrades to the active transportation network.• Enhance accessibility, connections, and operations for active transportation modes throughout the City of Port Colborne. <p>To ensure boarder participation, a public engagement questionnaire will be conducted virtually on the city's website. For those who prefer hard copies, printed questionnaires will be available at City Hall and the Port Colborne Historical and Marine Museum.</p>
