National Day for Truth and Reconciliation:

The City of Port Colborne will recognize and observe Sept. 30 as National Day for Truth and Reconciliation. The first observance of a National Day for Truth and Reconciliation was Sept. 30, 2021, following the identification of unmarked burials at former Indian Residential School sites.

The City of Port Colborne has raised the Every Child Matters flag at City Hall to remember and honour the survivors of the residential school system, and the children who never made it home.

For individuals interested in educational resources, visit the Port Colborne Public Library to explore its collection of books by Indigenous authors, illustrators, and publishers. The collections include adult and children's titles.

Members of the public are invited to attend the screening of the film "Orange Shirt Day" about the life of Orange Shirt Day founder Phyllis Webstad. This event will take place, Saturday, Sept. 30 at 2 p.m. in the L.R.Wilson Archives.

The National Day for Truth and Reconciliation also coincides with Orange Shirt Day, which began in 2013 and encourages people to wear orange shirts to honour Indigenous children forced to leave their families to attend residential schools.

Municipal offices, including City Hall, Operations Centre, Port Colborne Public Library, Roselawn Centre, and L.R. Wilson Heritage Research Archives, will be closed on Saturday, Sept. 30, 2023, to recognize Sept. 30 as the National Day for Truth and Reconciliation.

The Vale Health & Wellness Centre, Sugarloaf Marina, and Port Colborne Historical & Marine Museum, including Arabella's Tea Room, will remain open, operating regular business hours.

Municipal offices will re-open Tues., Oct. 3, 2023, at 8:30 a.m. to continue to assist by phone, email, walk-in, or appointment. Residents requiring our Public Works department can call 905-835-2900 and press '9' to reach the after-hours dispatch. Alternatively, if it is not a public works emergency, residents can submit a service request using our online form at www.portcolborne.ca/requestaservice.

Christmas Card Contest

Help design the City of Port Colborne's community Christmas card. On behalf of the City of Port Colborne, Mayor Bill Steele is inviting the children of our community to help design the City's 2023 Christmas card.

Submissions may be painted with fingers or brushes, or drawn with pencils, crayons, pastels, or markers on a standard white sheet of paper, 8 1/2" X 11" in vertical or horizontal format. Remember that deep, dark colours produce a better illustration. The contest is open to all children who live or go to school in Port Colborne; up to and including those in Grade 8.

The theme is "Christmas in Port Colborne." The mayor seeks an image that conveys the Christmas spirit with special focus on a Port Colborne person, place, or thing.

For complete rules and regulations, and how to submit an entry, visit: www.portcolborne.ca/christmasinportcolborne or contact, Gail Todd at 905-835-2900 x301, or email mayoradmin@portcolborne.ca.

Entries must be submitted by Oct. 20, 2023.

Student artwork that is selected by Mayor Steele will be invited to celebrate at a city council meeting; they will receive a dozen blank cards featuring their work to send to friends and family; and they will be invited to join him on the Port Colborne float at the Annual Lighted Santa Claus Parade, Saturday, Dec. 2.

WHAT'S IN THE WORKS WITH PUBLIC WORKS

Spring Street Sweeping Operations

Our annual street sweeping operations are underway.

Here are a few ways you can help city staff:

- Minimize street parking where possible
- Do not sweep your driveway and sidewalk debris onto the road
- Leave road debris from the gutter or edge of the road where it is
- Remove hockey and basketball nets from the edge of the road

Fall Storms - Keeping Catch Basins & Culverts Clear

Historically, October and November bring more extreme weather events, largely due to higher volumes of rain. With leaves falling and debris on the ground, catch basins and culverts tend to become congested with leaves, sticks and other foreign objects from trees bushes and shrubs. Residents are being asked to keep their culvert and catch basins free of debris to minimize the potential of flooding.

Also, during high volume rain events, residents are encouraged to limit water usage at home to reduce the possibility of sewer backups and the chances of surcharging the storm and sewer systems.

As a safety measure, residents are encouraged to avoid any creeks, ditches or streams with high water levels or fast moving water.

Water Wednesday

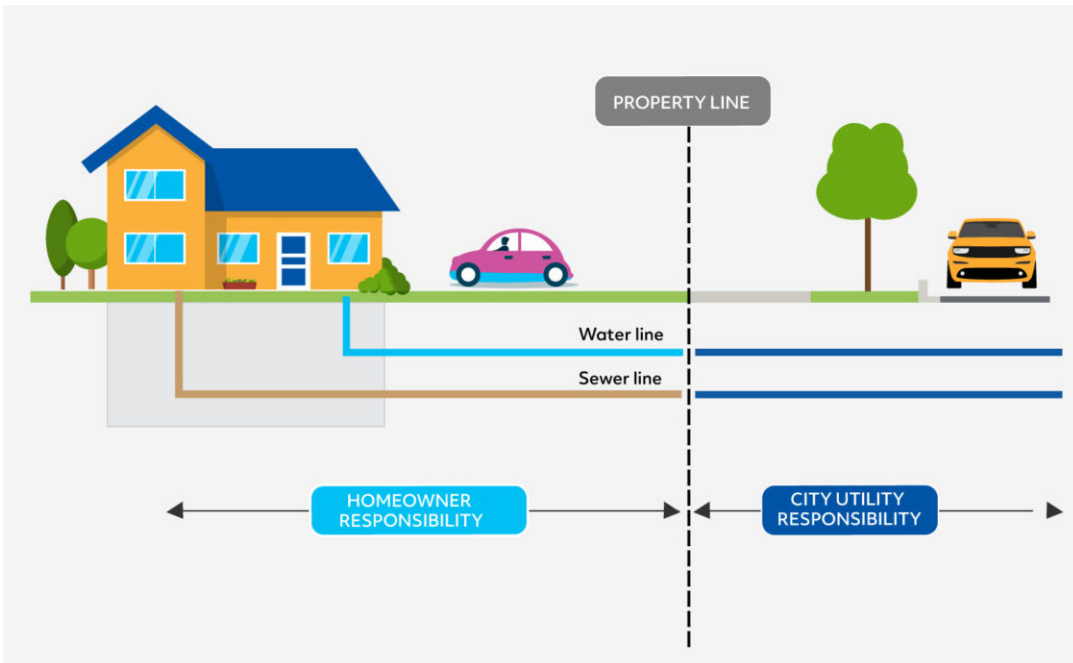

#WaterWednesday is a weekly feature to showcase water, wastewater and stormwater people, programs and projects in Port Colborne.

We share new info each week on our Facebook and Instagram channels to help you learn about all things water in Port Colborne! Follow us to learn more.

Water Service and Sewer Lateral Replacement Grants and Loan Program:

As part of the 2022 Water and Wastewater Budget, City Council approved a grant and loan program to assist residents with the cost to replace their water line and/or sewer line. As shown in the picture below, the City is responsible for the water and sewer lines extending from the watermain or sewermain in the road to your property line; however, property owners are responsible for the water and sewer lines that run from your property line to your home.

Why replace a water or sewer line?

While the private water and sewer lines are the responsibility of the property owner, when any of the issues listed below become known on the section which is owned and maintained by the City, the City or one of their approved contractors, will repair or replace the City's side of the line(s).

There are many different reasons a property owner may need to replace their water or sewer line:

- When a water or sewer line is found to be damaged, leaking, deteriorating, or undersized
- If the water line is constructed with lead pipe

All residential property owners who receive a water/wastewater bill are eligible to apply for and receive the following grant(s) and/or loans:

Replacement Grants:

Water Line	\$1,000
Sewer Line	\$1,000

Replacement Loans:

Water Line	\$2,500
Sewer Line	\$2,500

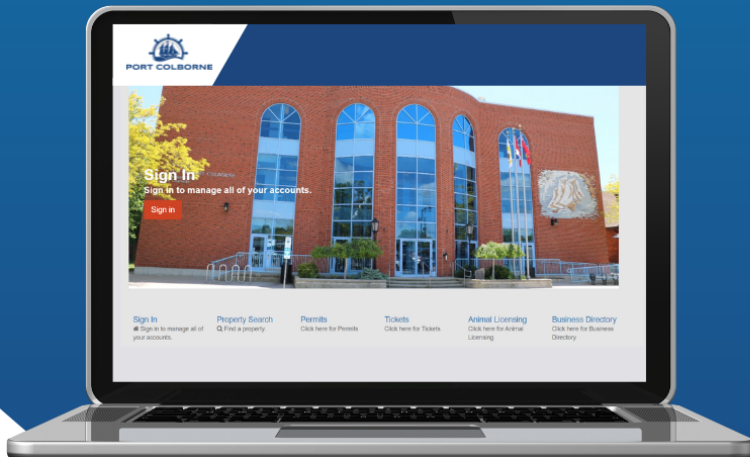

If you are interested in learning more about the program and the eligibility requirements, please visit www.portcolborne.ca/watergrantsandloanprogram, scan the QR code, or request a hard copy information and application package by calling our Customer Service Representatives at 905-835-2900 or by visiting City Hall.
