

## PUBLIC NOTICE

### Watermain Break causes water disruption on Fares Street and Killaly Street East

November 22, 2022

City Public Works staff are attending to a watermain break at the following location:

- **Intersection of Fares Street and Killaly Street East**

Households on Fares Street and Killaly Street East will experience a disruption in water service, including loss of water/water pressure until approximately 4 p.m.

**Households will experience a disruption in water service, including loss of water/water pressure at some point. Staff will be notifying impacted homeowners and apologize for the inconvenience.** The emergency repair is required to improve and maintain safe and reliable drinking water to your home.

After water service is restored, homeowners/businesses may experience discoloured water. It is recommended to run an exterior tap or large indoor tap, such as a bathtub or laundry tub faucet until the water runs clear. If the water does not return to normal after running your tap for 10-15 minutes, please call Public Works at 905-835-2900. If you're calling after-hours, please press '9' to reach our dispatch.

If the water does not return to normal within 10-15 minutes of flushing, or you are not located near the watermain break areas, please call us.
