

## West Street to be closed at King Street until December 23

December 3, 2021

West Street will be closed to vehicular and pedestrian traffic at the King Street intersection from Monday, December 6 until Thursday, December 23, 2021, to accommodate the demolition of the building at 13 King Street, located at the north-east corner of King Street and West Street. The south limit of West Street will only be accessible from West Street or from Sugarloaf Street.

Rankin Construction has been contracted to demolish the building.

Please see the map below for more details.
