

PORT COLBORNE

Port Colborne Residential Ultra Low Flow Toilet Rebate Program Terms and Conditions

All applicants are required to accept terms and conditions of rebate program, which include:

1. Only toilets purchased after January 1, 2019 and have a maximum flush capacity of 5L or less per flush for single flush, or toilets that are dual flush, are eligible for rebate, at a limit of two toilet rebates per single family residence.
2. Original receipt and/or invoice **MUST** show toilet has been paid for in full. Photocopies will not be accepted.
3. Details of the toilet manufacturer, name and model numbers must be provided to determine eligibility. Details can be provided in the form of a "cut-out" or sticker of the toilet box label (this is not mandatory but assists in processing the application).
4. Rebates are currently only applicable to residents who own or rent a single family dwelling (detached or semidetached homes, an individual townhouse or condominium, or a multiplex unit up to a six-plex).
5. A valid and active Municipal Water Billing Account Number must be submitted with your application, unless the applicant is on a private well. The program is now open to private well owners.
6. Toilet **MUST** be installed prior to submission of rebate request. Installation date must be included on the application.
7. Application form must be completed correctly and in full.
8. The property where the approved toilet model is installed must be located within the City of PortColborne.

PORT COLBORNE

9. The City of Port Colborne reserves the right to inspect installation and flush volume of each new toilet.

10. The City of Port Colborne reserves the right to inspect water meters of all participants, for the purpose of monitoring and evaluating water efficiency, within five years of the successful completion of the rebate form.

11. The City of Port Colborne requires participating individuals to assume the costs of the installation process or any plumbing alterations necessary for successful installation.

12. The City of Port Colborne requires proper disposal of any obsolete toilet models, at the responsibility of the participating individual.

- Call Miller at 1-833-621-0726 at least 2 business days in advance of your regular collection day to book the pickup · Set out item for collection no earlier than 8 pm the evening before collection or later than 7 am the day of collection. Place out neatly curbside separate from other household waste and recycling.

- Residents who live in multi-unit buildings with 6 or more units are not permitted this free service. Residents of mixed-use buildings (storefront with apartments above) are not permitted this service (no matter how few apartments are above storefront). Commercial and industrially zoned properties are not permitted this service. Above mentioned parties must take bulk items directly to a landfill for disposal. If you have any other questions about the disposal of your old toilet, call The Region of Niagara - Waste Management Services Division: 905-356-4141

13. The City of Port Colborne reserves the right to indemnify the municipality for any warranties, damages, costs, and third party claims resulting from participation in this program, as well as the reserved right to avoid liability for damages, costs, and claims resulting from negligent behavior of a Port Colborne representative.

14. The City of Port Colborne reserves the right to alter, cancel or discontinue the program at any time.

15. The City of Port Colborne reserves the right to reverse the rebate if information provided on the application form is either incorrect or untrue, or if the terms and conditions of the program have at any time been breached.
