

Application A11-26-PC

August 19, 2026

IN THE MATTER OF the *Planning Act, R.S.O., 1990, c.P. 13*, as amended, and Section 2.8.1 (a) (ii) of the City of Port Colborne Zoning By-law 6575/30/18 as amended;

AND IN THE MATTER OF the lands legally known as Concession 1, Part Lot 13, RP 59R-3144 Part 1 in the City of Port Colborne, located in the Hamlet Residential (HR) zone, municipally known as 2775 Highway 3.

AND IN THE MATTER OF AN APPLICATION by the agent, David Funk, on behalf of the owner, Eric Vanderzalm, for relief from the provisions of Zoning By-law 6575/30/18, as amended, under section 45 of the *Planning Act, R.S.O 1990 c.P 13*, to permit the construction of a new accessory structure, notwithstanding the following:

1. That a maximum accessory building height of 7.32m be permitted, whereas a maximum accessory building height of 6m is required.

That the Committee of Adjustment have decided that application **A11-26-PC** be **granted** for the following reasons:

1. **The application is minor in nature** as the proposed building is located further back from the road than the main dwelling, which will reduce the visual impact of the increased height. The immediate surrounding land uses are primarily agricultural fields and residences, which will reduce the likelihood of any negative impacts to surrounding parcels.
2. **It is appropriate for the development of the site** as the lot is large in size, with the accessory building proposed to be located approximately 110 metres from the road. The requested height is necessary to provide the owners with sufficient interior clearance, appropriate building proportions, and intended roof design.
3. **It is desirable and in compliance with the general intent and purpose of the Zoning By-law** as the intent of maximum accessory building height is to prevent overdevelopment and ensure accessory structures remain accessory.
4. **It is desirable and in compliance with the general intent and purpose of the Official Plan** as the subject lands are within the Hamlet designation in the Official Plan. Buildings accessory to residential uses are permitted in the Hamlet designation.

NOTE: No public comments were received during the decision-making process.

DATED AT PORT COLBORNE this 12th day of August 2026.
