

Application A08-26-PC

June 12, 2026

IN THE MATTER OF the *Planning Act, R.S.O., 1990, c.P. 13*, as amended, and Section 2.8.1 (a) (ii) of the City of Port Colborne Zoning By-law 6575/30/18 as amended;

AND IN THE MATTER OF the lands legally known as Concession 5, Part lot 13, Registered Plan 59R8253, Parts 9 to 11 in the City of Port Colborne, located in the Agricultural (A) zone, municipally known as 4444 Miller Road.

AND IN THE MATTER OF AN APPLICATION by the agent, Brian Szenasi, on behalf of the owner, Les Szenasi, for relief from the provisions of Zoning By-law 6575/30/18, as amended, under section 45 of the *Planning Act, R.S.O 1990 C.P 13*, to permit the construction of a new accessory structure, notwithstanding the following:

1. That a maximum accessory building height of 7.69m be permitted, whereas a maximum accessory building height of 6m is required.

That the Committee of Adjustment have decided application **A08-26-PC** be **granted** for the following reasons:

1. **The application is minor in nature** as the proposed building is set further back from the road and will reduce the visual impact of the increased height. The distance from neighbouring structures and the surrounding wooded areas reduce the chance of compatibility concerns.
2. **It is appropriate for the development of the site** as the proposed height will allow for a second-floor workshop that could serve as a future agricultural operation.
3. **It is desirable and in compliance with the general intent and purpose of the Zoning By-law** as the intent of maximum accessory building height is to prevent overdevelopment and ensure accessory structures remain accessory. The proposed development maintains the general intent as the lot is large enough to accommodate a building of this height.
4. **It is desirable and in compliance with the general intent and purpose of the Official Plan** as the subject lands are within the Agricultural designation in the Official Plan. Buildings accessory to residential uses are permitted in the Agricultural designation.

NOTE: No public comments were received during the decision-making process.

DATED AT PORT COLBORNE this 10th day of June 2026.
