Comments:

This request is for a continuation of our live music nights on our patio in the downtown commercial zone that have occurred the previous two years. The occurrence (each Friday night during the summer), the setup/location and time all remain the same. These nights have become a staple in the community and draw out-of-town guests to Port Colborne. Over the past two years we have ensured each week that the band finishes by 12am and have not received any complaints.

Note: Application must be completed and submitted with payment, if applicable, 60 days prior to the event.
Registered Charitable Organizations and Not for Profit Organizations are exempt from the Variance Fee.
