## COMMUNITY UPDATES

Port Colborne, along with the rest of Ontario, moved to Step 1 of the Roadmap to Reopen on Friday, June 11. The Roadmap to Reopen is a three-step plan to safely and cautiously reopen the province and gradually lift public health measures. The province will remain in Step 1 for at least 21 days to evaluate any impacts on key public health and health system indicators. For more information, including what's open during Step 1, please visit: <https://www.ontario.ca/page/reopening-ontario>.

### Have a Question? We're Here to Help!

The City of Port Colborne is committed to ensuring the health and safety of residents and staff, while continuing to provide customer service to the community. Although the physical doors to City Hall and City facilities remain closed, or are offering limited services, staff are continuing to offer customer service support for residents, businesses, and visitors by phone, email, website, and social media channels. To reach our customer service representatives, Monday - Friday, 8:30 a.m. - 4:30 p.m., call **905-835-2900** or [customerservice@portcolborne.ca](mailto:customerservice@portcolborne.ca). Looking for a particular staff member? Visit [portcolborne.ca/contact](http://portcolborne.ca/contact).

### Congratulations, Niagara!

More than 10% of residents have received their second dose of the COVID-19 vaccine. We will communicate updates as the Provincial Government continues to make announcements regarding eligibility for second doses. Keep an eye on our website for more details: [portcolborne.ca/COVID19](http://portcolborne.ca/COVID19).

### Sip, Shop & Support Local

Whether it's sipping a beverage on a patio, or shopping at a local boutique, the City of Port Colborne is encouraging residents to support local as Niagara moves to Step 1 of the provincial Roadmap to Reopen. Step 1 focuses on resuming outdoor activities with smaller crowds where the transmission of COVID-19 is lower and permitting limited retail with restrictions.

This includes:

- Outdoor gatherings of up to 10 people
- Outdoor dining with up to four people per table
- Non-essential retail at 15 per cent capacity

By supporting a local business during the provincial three-step plan, you're supporting a community.

## WHAT'S HAPPENING IN PORT COLBORNE

### Fun in the Sun at H.H. Knoll Lakeview Park

Summer is here and what better way to enjoy the warmer weather than a little fun in the sun at H.H. Knoll Lakeview Park. New this year, check out the delicious food trucks. Big Momma's Fresh Cut Fries is serving up crispy fries and ooey gooey melt-in-your-mouth poutine. For a sweet treat, Heavenly Dreams Ice Cream has the perfect icy cold treats to please any taste buds. Swirl cone? Hot fudge sundae? You name it, they've got it!

Also new to the park this year, is the lovely addition of two giant Adirondack chairs located at the main entrance. The City's gardener, Dave Sabo handcrafted these chairs and they make the perfect lakeside relaxation spot. With playground equipment, repaved walking trails, and of course the Discovery Spray Pad, we hope to see you #PORTicipating this summer at H.H. Knoll Lakeview Park.

**Say Cheese!!** We want to see how you #PORTicipate this summer, just like one of our littlest residents, Lochlan, did at the Discovery Spray Pad. Make sure to tag us on social media and use #PORTicipate.

### Outdoor Zumba Classes

Looking for a fun outdoor activity to #PORTicipate in? ### Parking Restrictions along Lake Erie Shoreline

With beach season here, the City of Port Colborne would like to remind residents and visitors parking restrictions will be in effect along Lake Erie's shoreline. Last year proved to be a busy beach season for Port Colborne and in anticipation of increased traffic over the summer months, the City has made operational changes to prohibit parking on several roads leading to Lake Erie shoreline. This is to ensure the proper movement of traffic and safety of the public. For a complete list of roads and firelanes where parking is prohibited, please visit [portcolborne.ca/parkingprohibition](http://portcolborne.ca/parkingprohibition).

### Water and Wastewater Bills

Port Colborne will be moving to a monthly water and wastewater bill cycle starting July 2021. This will be a phased approach, with the new water and wastewater bill schedule being staggered across the City. Port Colborne residents will be notified of this change with their next monthly bill. Information, including new billing cycles and when to expect your new monthly water bill will be outlined there. To learn more about water and wastewater, including monthly rates, please visit [portcolborne.ca/waterbill](http://portcolborne.ca/waterbill).

### Grow With Us!

The Port Colborne Historical and Marine Museum is starting a heritage garden video series! Our staff and volunteers have worked diligently to prepare and develop the Museum's garden. After more than 20 years at the City of Port Colborne, Council and staff bid adieu to Tom Cartwright as he enters retirement. Hired as the Fire Chief in October 2001, Cartwright served the Port Colborne community for almost two decades as Fire Chief before accepting the role of Director, Community Safety and Enforcement in March 2021. In this new role, he's had the pleasure of overseeing both By-law Enforcement and Fire Services.

"On behalf of City Council and staff, thank you for your years of service at the City of Port Colborne, as both Fire Chief and Director, Community Safety and Enforcement. Your dedication and commitment to ensuring the safety of this community was second to none. Wishing you all the best in this new chapter and enjoy your much-deserved retirement."

- Mayor Bill Steele
