

PORT COLBORNE

www.portcolborne.ca

Vision

A vibrant waterfront community embracing growth for future generations.

Mission

To provide an exceptional small-town experience in a big way.

Strategic pillars will build the foundation for community success and steer the City of Port Colborne to future economic growth and development.

Community Pillars

These pillars are areas that directly benefit our residents, businesses, and visitors.

Corporate Pillars

These pillars are the day-to-day practices, processes, and governance that Council and staff are focused on to ensure maximum value and benefit for our residents.

01

Service and Simplicity: Quality and Innovative Delivery of Services

02

Attracting business investments and tourists to Port Colborne

03

City Investments in Infrastructure and Recreational/ Cultural Spaces.

04

People: Supporting and Investing in Human Capital

05

Value: Financial Management to achieve Financial Sustainability

06

Governance: Communications, Engagement, and Decision-Making
