

## South end of King Street closed September 18 – 20

September 17, 2021

Starting tomorrow, the south end of King Street will be closed as Abell Pest Control conducts fumigation work at ADM Milling. The anticipated road closure is 8 a.m. Saturday, Sept. 18, until 6 a.m. Monday, Sept. 20.

The south end of King Street will be closed to all pedestrian and vehicular traffic. During this time, only emergency services will have access.
