

## Guidelines for Accessing Free Disposal for 2021 Community Clean-ups

*Please note these guidelines are intended for 2021 Niagara community clean-up groups who are facilitating litter clean-ups in Fort Erie, Grimsby, Lincoln, Niagara Falls, Niagara-on-the-Lake, Pelham, Port Colborne, St. Catharines, Thorold, Wainfleet, Welland and West Lincoln.*

If you are organizing a litter clean-up in your community, Walker Industries will accept your collected waste for free at its Residential Waste & Recycling Drop-off, located in Thorold.

### Follow these steps:

- 1. Email [kgoulding@walkerind.com](mailto:kgoulding@walkerind.com) to register your Community Clean-up Group**  
*Please advise of your expected clean-up date and register your clean-up group a minimum of two weeks prior to your scheduled clean-up day. You will receive a confirmation email which will include your Community Clean-up Registration Number (CCN).*
- 2. Hold your community clean-up event and help keep our community clean!**
- 3. Bring your collected litter to Walker's Residential Waste & Recycling Drop-Off & provide your CCN**  
*Provide the drop-off attendant with your CCN. You will then be able to enter the drop-off and dispose of the collected litter. Upon departure, the drop-off attendant will advise of how much litter your group collected.*
- 4. Share on social media!**  
*If you take photos of your community clean-up, be sure to use the hashtag [#WalkerIndustries](#) and share how much litter you and your team collected.*

Thank you for making a difference in our Niagara community. We can all do our part to help put litter where it belongs - in the landfill - and keep our Niagara community clean and safe.

### Acceptable Materials

- Household waste (similar to what you put out at the curb)
- Contaminated/dirty tissues, napkins
- Takeout containers
- Medical gloves and masks
