<b>Submission Deadlines and Accelerated Applications</b>			
Please be advised that the Planning Act requires Notice of Public Hearing be given no later than 20 days before a scheduled public meeting for a Zoning By-Law Amendment and Official Plan Amendment, 14 days for a Plan of Subdivision and Consent Application, and 10 days for a Minor Variance application. In order to allow sufficient review time of an application, all applications should be submitted at least 14 days before the last day for giving Notice of Public Hearing under the Planning Act.			
While it is an objective of the Planning and Development Division to process applications in an expeditious manner within the time frame established in the Planning Act, an applicant may wish to consider an accelerated application in the event processing is needed immediately and City resources and/or notice requirements are limited. Fees for an accelerated application will be assessed based on overtime incurred by staff to process the application at the rates listed below:			
Staff Rates:	Director of Planning and Development	\$220/hour	
	Planner	\$150/hour	
	Planning Technician / Clerical	\$100/hour	
Applicants should note that no application shall take priority over other applications being processed solely on the basis of the applicant having paid an accelerated fee.			

**Refund of Fees**

If an application is withdrawn before circulation to commenting agencies, ninety percent (90%) of the fee will be refunded. If withdrawn after circulation, but before notice of the public meeting is given, fifty percent (50%) of the fee will be refunded and if withdrawn after the notice of public meeting is given, but before the Planning and Development Services division Recommendation Report is prepared, twenty five percent (25%) of the fee will be refunded.

**Reactivation**

Any application which has been withdrawn and/or has been inactive for one year shall be considered abandoned and a full fee shall be required to activate a new application.

**Notes**

Additional fees for most applications are required for Niagara Regional Development Services and the Niagara Peninsula Conservation Authority review. Applicants are recommended to contact each agency for their respective Fee Schedule. If fees are required, applicants must make out separate cheques payable to each agency at the time of application submission to the City.

A 50% reduction in the fees payable will be applicable to all properties that are located within the project area boundaries of the Olde Humberstone Main Street Community Improvement Plan, the Downtown Central Business District Community Improvement Plan and East Waterfront Community Improvement Plan.

The Regional Municipality of Niagara shall be exempt from this Fee Schedule.

<sup>1</sup> Permit fee is \$/square foot, \$/linear foot, or \$ (flat rate).

<sup>2</sup> Square foot is gross of all floors above grade measured from the outer face of exterior walls, unless noted otherwise. Mezzanines, lofts, habitable attics and dwelling units below grade are included as floor areas for permit fee calculations.

<sup>3</sup> Where there is no floor or exterior walls for the project, square foot is the greatest horizontal area of the structure. For example, buildings or structures supported by posts or columns.

<sup>4</sup> \$115.00 paid at time of application plus \$50.00 for each additional inspection in excess of one where the building is not ready for occupancy and which must be paid prior to issuance of Occupancy Permit.

<sup>5</sup> There are no deductions from the gross floor area for openings such as stairs, elevators, shafts, etc.

<sup>6</sup> Cellars, unfinished basements and crawl spaces are not used in the fee calculation for new construction.

<sup>7</sup> Major occupancy is based upon the Ontario Building Code.

<sup>8</sup> New construction and additions include plumbing, HVAC and all other regulated building services/components.

<sup>9</sup> Minimum permit fee for all Building Permits is \$115.00.

<sup>10</sup> Revision or amendment to an open permit is a minimum \$50.00 fee plus \$50.00 per hour of administration time.

<sup>11</sup> For a Partial Permit, the percentage shown for the applicable stage of construction (minus the percentage for any previous Partial Permits) must be multiplied by the applicable permit application fee shown for new construction and then increased by a 50% administrative surcharge to obtain the required total fee for that stage.

<sup>12</sup> If the work regulated by the permit cannot be described otherwise, the permit application fee shall be \$13.00 for each \$1,000.00 value of work proposed.

<sup>13</sup> Houses in Special Categories and Alterations includes semi-detached, duplexes, triplexes, and townhouses.

<sup>14</sup> See "Deposits Required for Permits" for deposits which may be required.

<sup>15</sup> The fee for a Conditional Permit is equal to the regular permit fee described above plus an additional administrative surcharge of 50% of the regular permit fee. If the Conditional Permit also happens to be a Partial Permit, the Partial Permit fee already increased by 50% must be increased by an additional 50% to obtain the required total fee.

<sup>16</sup> A 50% reduction in the fees payable will be applicable to all properties that are located within the project area boundaries of the Olde Humberstone Main Street Community Improvement Plan, Downtown Central Business District Community Improvement Plan, Brownfield Community Improvement Plan and East Waterfront Community Improvement Plan.

<sup>17</sup> Third Party Review of applications are undertaken at the discretion of the Chief Building Official and may be required for very large or complex developments. The Chief Building Official may require that the estimated or actual costs associated with the third party review be payable at any time prior to permit issuance.
